	Teachers are an es	sential part	of our lives. They t	each us much more t	han reading and writing.	
	They teach us life	lessons and	help us discover w	ho we are and how to	o succeed.	
8	It's important to a	ppreciate th	e teachers who are o	ledicated to their job	s. Even if you feel you ha	ive
	too much homewo	ork and too	many exams, take a	moment to think how	w important your teachers	s K

are. Without them, you wouldn't be where you are today.

Teaching requires a lot of time, preparation, and effort. Outside of the class, teachers write lesson plans, create exams and grade tests. They also attend conference and training sessions to find tools and ways to help students succeed.

Teachers are very knowledgeable on the specific subjects they teach. However, it takes a helpful and dedicated individual to be able to teach effectively. Teaching requires them to stay up-to-date on advances in their field of study. They are busy with a wide variety of responsibilities.

Teachers need to make sure that they know all their students' names and they must learn <u>them</u> quickly. One way of having a productive class is learning students' names.

This article has given you some insight of the hard work and dedication that your teachers use each day at school. Then next time that you see your teachers, tell them you appreciate their help.

60. What do teachers do to find tools and ways to help their students become successful?

61. What does the word <u>essential</u> in the first line mean? a. dedicated b. knowledgeable c. necessary

62. What does the word "them" refer to? a. subjects b. classes

c. teachers

d. students' names

d. productive

63. Teachers are just busy when they are at school.

a. True b. False

64. The only things that students learn at school are reading and writing. a. True b. False
